"Small Town Lives Large - Lynch, Nebraska" 2018 Nebraska Grand Tour

This tour takes us to Lynch Nebraska. Your challenge is to find 5 businesses, historical markers and attractions in and around the town of Lynch.
It is located West of Sioux City on the Outlaw Trail Scenic Byway (Highway 12). See if you can find what horse thieves used Horse Thief Gulch southeast of Lynch. Find out why Old Baldy has a wooden prairie dog at the top. Where do the children go to school, swim, watch a movie? Where does everyone shop, eat out or go after work? Where do they get their local news? For a town of less than 500 this small community is a big deal for those who live, work, play and raise families here. Check out Niobrara House of Renewal, local lawman Albert Lee, and Special T's and More.
This could be an over night excursion. There are other attractions in the area. Ashfall Fossil Beds, Fort Randall Dam, Lewis & Clark State Recreation Area, Niobrara State Park, scenic view of Missouri River on your way to Springfield South Dakota to name a few.
